

REACH Program

REACH is located at the James W. Russell Elementary School in Gray. Our before and after school program takes a common sense, back to basics approach to supervising and enriching your child's experience. A positive environment with structured and non-structured activities and staff that truly enjoy being with the children make it a fun, safe and rewarding experience.

REACH TIMES:

(7:00 to 8:35) **Before** school care includes a nutritious breakfast snack, quiet activities and getting prepared for the school day.

(3:00 to 5:30) **After** school care also includes a healthy snack, outdoor play, computer, quiet activities and homework assistance.

REACH follows the school district calendar. Parents need to secure alternative child care on snow days, vacations, holidays and teacher in-service days.

* Early release day times: 1:00 to 5:30
