Town Planner	Kathy Tombarelli	657-3112	The Economic Development Director promotes business and economic development interests for the Town of Gray.

GRAY TOWN COUNCIL

Dear Citizens of Gray,

The last year was a very productive year in the history of our beloved community. The Town Council, staff, and volunteers have all worked at advancing the Town's goals.

Of the successes, one of the larger ones is the successful selling of the Town owned properties at 4, 6, and 8 Shaker Road (Stimson Hall, the old Town Office, and the old Post Office) after receiving the direction from the community to do so. Within the same year, the Town also acquired a parcel at 5 Yarmouth Road at no cost, which is a strategic parcel as it abuts the Town owned parking lot in the center of Gray. And finally, the Town purchased some land between Mayberry Road and North Raymond Road that will eventually evolve into a reconfiguration of the intersection of these two roads and expand the land area around Wilkie's Beach.

The Town also is working to combat a serious concern regarding substance abuse, as we held a community forum on the issue with the State Police, Cumberland County Sheriff, Casco Bay Can, Substance Abuse Prevention Program at Portland Public Health, our State Senator and Legislators, Gray Town Council, New Gloucester Board of Selectmen, and the Administration and Staff from MSAD #15. Strategic information regarding local substance abuse issues was discussed and some preliminary strategies were formed.

The Town has been working at developing a long range plan for the Route 26 corridor. We have a special committee working on land use for this important and increasingly

busy thoroughfare. We are also working with consultants from the Greater Portland Council of Governments, TY Lin, Town staff, and Maine Department of Transportation.

Finally, the Town has also been working on developing an ordinance regarding Impact Fees. The intent behind the crafting of this ordinance is to find a means for new growth to help pay for itself. As the Town increases in population and housing stock there are impacts to what it will cost to support this new development. The impacts can be felt in many areas such as education, recreation, public safety, public works, and others. By implementing impact fees, the revenue generated will help offset the future impacts on municipal spending as a result of the new growth. We want and encourage new growth, but we also want to find innovative ways to make our community sustainable.

Thank you for giving us the honor and privilege to be your Town Council.

On behalf of the Town Council of Gray,

Matthew E. Sturgis
Town Council Chairman

TOWN MANAGER

Greetings to all Gray Citizens;

I am pleased to present the Town of Gray's Annual Report for the year 2015/2016.

Distribution for Taxes Assessed Fiscal Year 2016

Gray continues to experience growth; this year was no exception.

Highlights from the Town of Gray are as follows:

- A major Presidential Election was held November 8, 2016 with high voter turnout.
- The Maine Turnpike opened a new Southbound and northbound exit as well as a new park and ride.
- The Town of Gray hosted a Public Forum on the Opioid Epidemic within our Town and State and our neighboring communities. It featured Police agencies, Fire and Rescue Departments and State Representatives as well as Casco Bay Can.
- The Town held a Summer Fest with the help of a great group of volunteers with a vision to bring back this event.
- The Town sold the Old Stimson, Library and old Town Hall properties.
- The Village Loop Trail A/B became reality
- Gray Fire Rescue hosted a mock Disaster Drill on Depot Road at the Train Tracks in conjunction with State EMA and Local EMA and Fire Departments around the State.

New Businesses to Highlight:

- Aroma Joes
- Family Dollar Caswell Farms
- Frisky Wisk
- Hillview Mini Barns

TOWN MANAGER

Business Expansions:

- Bruns Brothers
- Britton Lumber
- Northbrook Business
- S W Cole

New Employees joined the Town Hall:

- Ann Elkanich: Administrative Assistant to the Town Manager
- Galen Morrison Administrative Assistant to Gray Fire Rescue/Public Works
- Kurt Elkanich Fire Chief of Gray Fire Rescue
- Pamela Edson Administrative Assistant to Community Economic Development

With strong Leadership and support of the Town's elected officials, we will continue to build on the highlights and endeavors for the upcoming year, and create an even brighter future. Many thanks for the Staff at the Town of Gray in their participation in our excellent year!

Respectfully Submitted,

A handwritten signature in dark ink, reading "Deborah Cabana". The signature is fluid and cursive, with the first name "Deborah" being more prominent than the last name "Cabana".

Deborah Cabana
Town Manager

BUILDINGS & GROUNDS DEPARTMENT

Annual Report July 1st 2015 -2016

The Building and Grounds department currently employs 3, 40 hr. full-time employees, and one 24 hour position. The department works with the Code Enforcement, Public Works, Transfer Station, Public Safety, Recreation Department and volunteers who have all assisted in some way or another to help our department.

The department has completed projects and maintenance during the fiscal year ending in June 2016. All buildings received regular inspections of all AC/heating units, fire extinguishers, sprinklers, septic tanks, security systems and elevators located in the Pennell Building and library. The department is also responsible for any light landscaping and general maintenance throughout the Town of Gray.

Respectfully Submitted,
Edward A. Milose
Building and Grounds Director

CODE ENFORCEMENT REPORT FISCAL YEAR 2016

2016 has been a consistently busy year here with a total of 62 new dwelling units from January 2016 to the end of December 2016. The total for calendar year 2015 was 42. Although the number of single family dwellings remained the same at 36 for both 2015 and 2016, there were 12 new duplexes and two accessory apartments in 2016. The total number of building permits increased from 185 in FY 15 to 277 in FY 16. The following numbers of permits were issued in FY 16:

Building Permits:	277
Shoreland Zone Permits:	20
Electrical Permits:	155
Internal Plumbing Permits:	80
Septic System Permits:	102
Miscellaneous Permits:	104

NOTE: Miscellaneous permits include docks, demolition, home occupation, pool, sign, and tree removal.

Starting in late winter/early spring, the sheer volume of permit applications led to a short-term backlog. The Town was fortunate that Johnathan Reed was available to help on a part-time basis to keep permit issuance and inspections moving. The assistant to the Community Development team, Lena Reichardt, also resigned in 2016 and we welcome Pam Edson's move from the clerks area to coordinate us here in the Community Development area of Town Hall.

We thank the dedicated volunteers on the Zoning Board of Appeals for their willingness to devote their time to keep the Town's important administrative functions moving.

Respectfully Submitted,
Tom Reinsborough, CEO/LPI/Health Officer

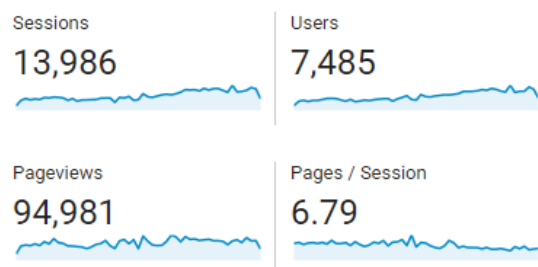

COMMUNICATIONS & INFORMATION 2015-2016

With a focus on delivering relevant and timely content to the Gray community, the Department of Communications & Information continued our ongoing relationship with Virtual Towns & Schools [VTS] as host of our primary web presence, the Town of Gray website [<http://graymaine.org>]. To improve upon mobile delivery of web content, VTS announced plans to offer upgrades to mobile-friendly web themes in early 2016. The new platform would offer enhanced business directory, bids/RFP, and “Recyclopedia” modules.

Since 50% or more of online visitors view the site on smart phones or tablets, our department began plans to migrate to the new platform. A majority of the initial planning/design work ensued in early 2016, with a planned launch date for the new/updated website of July 1, 2016.

ASSESSMENT DATA

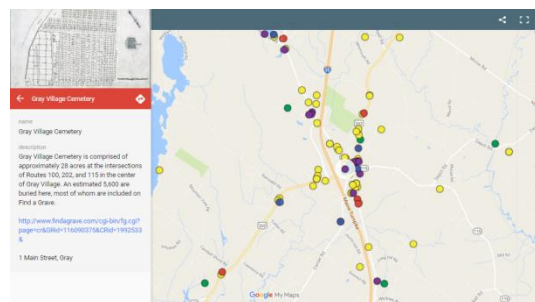

Our Assessment Data website is separate/apart from our VTS Town of Gray website, and is hosted with a third party provider. As design changes were in progress for the TOG website, design changes were also implemented for the Assessment Data website changing the “look & feel” of the site to match the TOG site. Most site visitors experience a transparent transition between the two sites. During the period from July 1, 2015 through June 30, 2016, nearly 7,500 users accessed the site 14,000 times, viewed nearly 95,000 pages, with an average session duration of just over 4 minutes.

BUSINESS DIRECTORY

Our updated TOG website platform enabled upgrades to the Business Directory, where nearly half of Gray business owners have requested inclusion. Plans are to enhance the directory further by offering enhanced directory listings with additional photos and descriptive in the 2016-2017 fiscal year.

INTERACTIVE MAP

Business Directory listings are added to our Town of Gray interactive map [Google] along with other attractions, historical sites, and Town of Gray municipal locations. Points of interest on the map may be filtered by category.

Each location includes images, descriptive information, and a link to additional information when available. The updated TOG website will include a prominent link to this resource.

FORMS/APPLICATIONS

Work to organize and update TOG forms and applications is nearly complete, with an online repository of themed and fillable [PDF] resources available on the TOG website [<http://graymaine.org/documents>].

Respectfully submitted,
Debi Curry
Website Administrator

COMMUNITY DEVELOPMENT DEPARTMENT REPORT FOR FISCAL YEAR 2016

July 1, 2015 – June 30, 2016

It was another active year in the Community Development Department. With Town Planner Kathy Tombarelli working with the Planning Board and focusing on development review, I was able to meet more regularly with the Town's Ordinance Advisory Committee (OAC). With the invaluable support of the dedicated OAC members, we completed several long-standing problematic Ordinance provisions including accessory apartments, in-home offices, clarifying Site Plan Review thresholds, subdivision standards, and adjustments to the Street Ordinance.

Working collaboratively with the Code Enforcement Officer, I continue to assist with some of the more complex land use enforcement matters including subdivisions, illegal zoning uses, and particularly shoreland zoning violations. Despite the significant time required to address such matters, it is important to make forward progress and bring resolution as soon as possible.

Larger longer-term projects during FY 16 included establishing the new Business Development-2 Zoning District, adding Contract Zones, and working with Maine Narrow Gauge Railroad on their pursuit of a museum and tracks just south of the village. Based on the Rt. 26 Corridor Study and direction from the Town Council, significant efforts were directed towards the conceptual new commercial zoning for portions of Rt. 26 between Libby Hill Road and North Raymond Road. There were also concerted efforts on behalf of the OAC as they diligently worked on the substantially revised standards for net residential area and residential open space subdivisions.

Lastly and most importantly, I am indebted to the consistently dedicated professionals with whom I am fortunate to work with here at Town Hall. Without the support of those in the Community Development Department, the Town Manager, and other Department Heads, we would not be able to accomplish the many and varied tasks we do every day.

Respectfully submitted,
Doug Webster
Community Development Director

THE DRY MILLS SCHOOLHOUSE COMMITTEE

Annual Report to the Town Council

2015-2016

The Dry Mills Schoolhouse Museum Committee was created by the town council to preserve this historical landmark for current and future generations to learn from and enjoy.

The committee's goals for 2015-16 were to:

1. Create a DMS weblink that is linked to the Maine Wildlife Park website.
2. Create an audio narrative that describes various aspects of life in the late 1800s.
3. Recruit new committee members.
4. Increase the number of volunteers in order to extend the season that the schoolhouse is open to the public.

This year the committee successfully completed two of its four goals. There is now a web link to the Dry Mills Schoolhouse Museum from the Maine Wildlife Park web page. Further, an audio display is now available to visitors. This fascinating first- person narrative was developed from the pages of Ann Morse's diary, a DMS schoolteacher in the late 1800s.

Unfortunately, the museum was unable to open this season, as an inspection revealed significant damage underneath the main floor.

The committee's goals for 2016-17 are:

1. To have all necessary repairs completed to the sub=floor, underpinnings, etc. so that the schoolhouse can re-open to the public.
2. To fill the final committee vacancy.
3. To increase the number of volunteers those make it possible for the museum to serve the public.

Respectfully Submitted,

Jennifer Dupuis, Charlena Walker, Sherrie Baker, Joyce Burrows

The Dry Mills Schoolhouse Committee

ELECTION REPORT

July 1, 2015 through June 30, 2016

The Registrar of Voters at the Town Clerk's Office is responsible for voter registration; maintenance of the voting list; and the administration of elections.

November 3, 2015: General Election

- Registered Voters: 5974
- Number of Voters: 1025
- Voter Turnout: 17%
- Number of Absentee Voters: 61

June 14, 2016: Primary and Municipal Election

- 1 Town Councilors – Jason Wilson
- 2 School Board Members – Will Burrow, Amy Stone
- 1 Gray Water District Member – Andrew Edson
- Number of Voters: 927
- Number of Absentee Voters: 68

Elections Require the Work of Many Volunteers—Thank You!

We would like to recognize and thank all those citizens who took time out of their busy lives to serve as election officials in 2015 & 2016. The success of our elections relies upon the dedication and work of our election workers.

Special thanks to: Debbie Botkin, Judith Burnham, Joyce Burrow, Gary Foster, Harmony Harriman, Nancy Mason, Laurence Szendrei, Ted MacDonald, Sheryl Robinson, Pat St. Pierre, Natalie Tombarelli, Sue Trudel, Susan Tsukroff, David Whitney, and Ruby Whitney.

GRAY CEMETERY ASSOCIATION
ANNUAL REPORT TO THE TOWN OF GRAY
for the Year Ending June 30, 2016

Trustees

- Robert Sawyer, President
- Galen Morrison, Vice President
- Gwen Pollard, Secretary/Treasurer
- Bruce Sawyer
- Donald Whitney
- Audrey Burns
- Lori Bisciglia
- DC Stilkey & Son, Sexton

In the year of 2016, there were 8 lots purchased and 16 burials. The vault door was replaced as a generous donation from McCann Fabrication of New Gloucester was received. Thank you!

Road maintenance and stone restoration is an ongoing yearly project. Avenues A, B, and C were closed.

As a reminder, dogs are to be on a leash at all times in the cemetery.

Respectfully submitted,
Gwen Pollard, Secretary/Treasurer

GRAY FIRE RESCUE ANNUAL REPORT FOR 2015-2016

Town Manager, Citizens of Gray, and the Gray Town Council,

November 16, 2015 I was sworn in as the Public Safety Director for the Town of Gray. I am humbled by the opportunity to serve this great Town and to lead such a fine group of firefighters and emergency medical technicians. I want to thank the members of this department, the Public Works Department, the Town manager, the Town council and all the citizens of the Town of Gray for the fantastic support given to the Gray Fire Rescue Department. Without your support we cannot do the great things we do every day.

It's important to note that your fire department is trained to the same standards as any full time department in the State of Maine. We are required to stay current with all training standards and re-certifications resulting in over 2000 man hours in combined training time.

Last year we responded to over 1300 calls for service. 853 of those were medical related calls. The majority of the rest of the calls were as follows:

- Motor Vehicle Accidents – 129
- Fire Alarms – 97
- Desk Box (report of a possible structure fire) – 29
- Structure Fire – 36
- Grass/Woods Fire – 14
- Propane Emergencies – 20
- Hazardous Material Incidents – 2
- Unattended or Unpermitted Burning – 22
- Fuel leak or Spill – 6
- Vehicle Fire – 17
- Wires down – 15
- Smoke Investigation Call – 11
- Mutual Aid to other Towns - 10
- Other/Miscellaneous – 48

I applaud the work the Town planners have done to promote commercial growth in Gray and we at Gray Fire Rescue are busy planning ahead to be able to meet the needs of our growing community. We have a small group of very dedicated and talented members that do a great job however we need to find creative ways to build our membership.

Kurt Elkanich
Public Safety Director

Protecting the Crossroads of Maine since 1880

GRAY PUBLIC LIBRARY
ANNUAL REPORT TO THE TOWN OF GRAY
for the Year Ending June 30, 2016

The Gray Public Library continues to fulfill its mission of serving “the complex educational and intellectual needs of the community and to encourage lifelong learning.” We provide an assortment of resources, experiences, and inspiration to the community.

In fiscal year 2016, the Gray Public Library fulfilled the most basic of Library services – and that is the circulation of materials. During the fiscal year, we added 3,333 item to our collection. While printed materials remain our primary material type, the Library now offers movies and television series on both DVD and Blu-ray, online access to e-books and audiobook downloads, music CDs, and audiobooks.

In FY16, items from our collection circulated 73,159 times. Patrons of the Gray Public Library checked out and renewed 80,699 items. Both these numbers reflect the increase in business that accompanied the completion of the renovation and expansion project in March of 2014. As you will see from the charts below, the Gray Public Library is now circulating more materials than it ever has before. If the items circulated this year had been purchased, as opposed to borrowed, it would have cost \$1,631,103.94.

Fiscal Year Circulation of the Gray Public Library Collection

Fiscal Year Checkout and Renewals by patrons of the Gray Public Library

FY16 Material Type Circulation

Thanks to the Gray Library's membership in the Minerva consortium, we are able to provide access to millions of items from our partner libraries around the State of Maine. Last year, the Gray Library received 9,963 items from Minerva libraries, and sent out 15,097 items. As part of being good members of the consortium, staff from the Gray Library served on the Minerva Innovation Committee, the Circulation Standards Committee, and the Collection Development Committee.

The continued increase in usage extends to our patron base. In fiscal year 2016, we registered 359 new patrons for the Library, bringing our active users for the fiscal year to 2,511.

Apart from the lending and use of our physical collections, the Library remains a resource for digital access and access to digital collection. Our public computers were used for 4,083 sessions for a total of 2,348 hours. Though our subscription to Maine Infonet Download Library, we are capable of offering our patrons 24-hour access to e-books and digital audiobook downloads. This fiscal year, 3,882 e-books and audiobooks were accessed out by Gray patrons. This is a slight increase from FY15, where 3,833 e-books and audiobooks were accessed.

The Library continued to make the most of our programming and meeting room space. In FY16, the Library hosted 280 programs and events (up from 168 the previous year) with a total attendance of 4,370 (up from 3,271 attendees the previous year). Through the generous contributions of the Gray Public Library Association, the Library was able to bring best-selling authors, renowned children's performers, as well as showcasing local talents. Our program offerings ran from the normal (weekly children story times) to the frequent (movies for the young and not-young in our movie theater) to the celebrated (bestselling authors Paul Doiron and Nevada Barr, to name a few) to the just plain fun (a holiday sing-along with a local ukulele troupe).

The space and accommodations provided to us by the expansion have become a tremendous community asset. The community groups, professional organizations, and non-profit organizations that utilized the space in the last fiscal year include the Girl Scouts, GNG Soccer Booster Club, Gray Bike-Ped Committee, Edward Jones, D.I.G. (DNA Interest Group), Little Sebago Lake Association, Business Networking International, Casco Bay CAN, Creative Work Systems, Maine Narrow Gauge Railroad, and the Boy Scouts, to name a few.

Respectfully submitted,
Josh Tiffany
Director

GRAY PUBLIC LIBRARY TRUSTEES ANNUAL REPORT TO THE TOWN OF GRAY

for the Year Ending June 30, 2016

The Gray Public Library Board of Trustees is composed of five members plus two alternate members. Current members are Joyce Burrow, 2019, chair

- Amy Sturgis, 2017, vice chair
- Kiersten Scarpatti, 2018, secretary and GPLA liaison
- Chris Hutchings, 2017
- Richard Barter, 2018
- Pat Larrabee, 2018
- Karen Morrison, 2019
- Josh Tiffany, library director
- Peter Gellerson, Town Council liaison

The purpose of the Library Trustees is to provide management, guidance and supervision of the Library. During 2015, some meetings normally held the fourth Tuesday of each month, were rescheduled because of the dates of Thanksgiving and Christmas.

Library policies in the following areas were considered and/or developed.

- February disaster days and meeting rooms.
- Gray Public Library Internet Policy
- Bulletin Board and Handout Policy
- Non-Gray resident library use
- Library Computer Use Policy
- Collection (see April 2016 meeting minutes)

In addition:

- Trustees provided flowers for the planter under the Library sign and the pots on either side of the main entry.
- Programming Policy - Suggestions were given for speakers for community events
- The Trustees honored Ray Clark for his many years of support of the Library.
- The Trustees provide once a month Fat Tuesdays treats for the Library staff.

Submitted by Joyce Burrow, Chair

PLANNING DEPARTMENT ANNUAL REPORT JULY 1, 2015 TO JUNE 30, 2016

I am excited about the opportunity to report on the activities of the Planning Department. Before I continue on the various activities in this reporting period, I would like to personally thank the Planning Board members that served during this time frame: Chair Donald Hutchings, Vice Chair Dan Cobb, Richard Bibber, Jason Wilson, Charlie Abrams, Adam Szafran, and Rachel Lyn Rumson. Additionally, I would like to thank Nancy Trottier for serving as the recorder of minutes, Grant Guiliano and Brad Fogg for recording and broadcasting the meetings, and Councilor Lew Mancini for serving as the Council Liaison.

The Staff Review Committee which was designed to review smaller projects and consists of the Town Code Enforcement Officer, the Town Planner, and the Planning Board Chair or designee, was active during this period. This resulted in the approval of four applications including a training site for Gray Fire-Rescue.

The Planning Board approved two residential subdivisions, a 3-lot subdivision at Victoria Lane, and a 4-lot subdivision named Hillcrest Acres. There were several amendments to previously approved subdivisions, for the most part minor matters, adjusting lot lines, and in one case resulting in an additional lot. Once again, it was apparent that subdivisions approved and started prior to and during the recession that had not been completed were having renewed activity including lot sales and building permits issued. This is beginning to be reflected in the permitting and new dwelling unit numbers in the Code Enforcement report.

The Planning Board was involved in the several Site Plan Reviews for projects which resulted in a significant amount of new commercial square footage in Gray. Final approval was granted for an Aroma Joes drive-thru coffee shop with a walk up window and outdoor seating at the Hancock Block, Hill View Mini Barns for retail sales and warehousing of various pre-fabricated buildings on a 4 acre parcel at 158 Lewiston Road, and notably the Howell's gun store 11,000 +/- sf expansion which resulted in Howell's Shooting Range & Gunshop. The expansion includes 12 shooting lanes, a renovated and expanded show room area, and a training academy with classroom space. There was also an expansion to the Caswell Farms Event Venue to include overnight lodging and event related camp sites.

A large project that got underway during this period was the expansion of the Enercon facility at NorthBrook Business and Industry Campus. This project involved an Amendment to the commercial subdivision and Site Plan Review for Phase 1 which included clearing, site work, and fill to prepare for Phase 2 later in 2016; both the amendment to subdivision and Phase 1 Site Plan were approved by the Planning Board. In order to facilitate a future Phase II buildout, a new Business Development-2 Zoning District (BD-2) was proposed. The Planning Board was involved in the process of formalizing this new zoning district. There were several new standards and allowed uses adopted by Town Council with Planning Board input. One of the standards in the new BD-2 zoning district is a zero foot side setback which allows for the connection of the existing office/manufacturing facility to the new building. This connection will be made by an elevated walkway, the first in Gray when constructed. There will be more to report on this expansion in the 2017 Annual Report.

**PLANNING DEPARTMENT
ANNUAL REPORT JULY 1, 2015 TO JUNE 30, 2016**

As usual the Planning Board attended a number of Planning Board workshops and Town Council workshops in addition to their Planning Board duties. The work on ordinance language and revisions continues and the Planning Board's input is highly valued in that process. I am grateful for working with such a competent and dedicated group of volunteers.

I would also be remiss in not thanking Lena Reichardt, our assistant, for all the help in administrative processes. Lena resigned in 2016 and her positive personality and competency will be missed by all of us at Town Hall. We welcome Pam Edson, who has many years of municipal experience in Gray, as she moves over to her new role as our assistant. I would also like to express what a pleasure it is working with the entire Community Development Department staff as we work together serving the Town.

Respectfully submitted,
Kathy Tombarelli
Town Planner

DEPARTMENT OF PUBLIC WORKS ANNUAL REPORT 2015-2016

To the Town Manager, Gray Town Council and the Citizens of Gray:

It is with great pleasure that I submit to you the annual report of the Department of Public Works.

The summer months of 2015 and spring of 2016 proved to be busy for the Department. The following roads were paved with one and half inches of hot top: 1) Hunts Hill Road, and 2) Legrow Road. The following roads were overlaid with 1.25 inches, 1) Colley Hill Road, 2) Upper Mayall Road, 3) Brown Street, and 4) Wheeler Road for a total tonnage of 3,430 tons. After adding shoulders to the above mentioned roads the crew spent the rest of the season performing routine maintenance.

The winter of 2015/2016 turned out to be a light winter with a limited amount of storms. Over the course of the winter we used 1,615 tons of salt, 4,500 yards of sand and 1,395 gallons of calcium. Our first storm was December 1, 2015 and our last storm was April 26, 2016. We had a total of 44.4 inches of snow and several ice storms totaling three inches of freezing rain and ice. We experienced a total of 15 storms, causing 19 different plowing and sanding events and a total of 1,819.75 equipment and man hours. The crew handled the hours behind the wheel very well, while serving the town with pride and dignity and all answered every one of my calls.

We continued to strive to improve the infrastructure of the town including bridges and sidewalks. Gorrill and Palmer our town engineers designed the Lawrence Road Bridge and put it out to bid. The bid was awarded to A.H. Grover and construction took place in August and was finished by Labor Day 2015.

As of July 01, 2015 the Public Works Department Crew consisted of Arthur St. Cyr, Michael Toderico, Nick Hutchins, Mike Morneau, Alec Dodd, Tim Estes, Vaughn Hutchings and Michael Whittier [Full-Time]. Our part time seasonal crew consists of Chris LaVallee, Dean Hadlock, and Michael Ryan. All of our employees are very important to the town and Public Works would cease to operate without them. I am proud to be their Department Head and very grateful for their dedication to the Town of Gray.

Thanks to Ed Milose, our Maintenance Supervisor and his staff. Ed's constant support continues to bail us out of many situations.

Once again, I want to thank Chief Galen Morrison, Dep. Chief Robert Ryan, Dep. Chief Mike Barter, Dep. Chief Kurt Elkanich, and the Department of the Public Safety for the many assists during the past year, the two Public Service Departments work many times as one and in very fine fashion. We would also like to thank the Maine State Police, Cumberland County Sheriff's Department, and Lucas Hallet and Cole Chandler our Town Sheriffs for their many assists.

And has always big thank-you to all of the citizens of Gray who volunteer their time to serve our departments and committees and to all of the citizens who show courtesy towards our department as we strive to improve the safety of our Town ways. And last, but not least, to Ann, Jon, Tom, Elizabeth, Pam, Judy, Galen, Cathy, Barbara, Lena, and Doug, whose constant support makes and has made my job much easier.

Respectfully submitted,
Steve LaVallee
Town of Gray Director of Public Works

GRAY RECREATION DEPARTMENT

Annual report July 1, 2015 – June 30, 2016

Our mission is to provide the very best recreation, social and leisure time opportunities that encourage personal growth, improved personal health and enhance the overall quality of life to the residents of Gray.

Our department consists of 2 full-time employees and one part-time as well as 20 to 30 seasonal, part-time and contracted service personnel.

The majority of activities and programs are offered at the Newbegin Gym located on the Henry Pennell Municipal Complex. Other activities and programs occur at either one of the following facilities: Newbegin Athletic Fields, Libby Hill Forest Trails, Wilkies Beach on Crystal Lake, Pennell Park or at one of the 5 school district facilities.

We feel that this department plays a critical role in the development and direction of our community's growth. You have a moment, please visit our web site at: grayrec.com. There you will find all of the information on our department, programs, facilities and community news.

Respectfully submitted,
Dean Bennett
Director, Gray Parks & Recreation

SOLID WASTE AND RECYCLING DEPARTMENT ANNUAL REPORT

July 1, 2015 – June 30, 2016

Greetings:

It is with pleasure that I submit to you this brief report on the happenings of the Solid Waste and Recycling Department for fiscal year ending June 30, 2016.

Household trash disposal has remained very steady over the past year at 2,715 tons compared to 2,737 tons for the same period the previous year. Construction debris however, has increased significantly which I attribute to the strengthening economy.

Sales of recycled paper products, i.e. cardboard, newspaper and mixed paper have also remained strong, netting decent revenue and cost avoidance by keeping it out of the waste stream. On the other hand, with the price of oil being consistently low, (relatively), the demand for recycled plastics is almost non-existent. The cost to manufacturers to produce plastics from virgin material is comparable to using recycled plastic. We have seen pricing for “natural HDPE”, the best grade of plastic which is made up primarily of milk jugs, go from a high of \$1,000 a ton when oil was over \$100 a barrel, to \$125 a ton now, and that is provided a buyer can be found.

You may have noticed that the wood pile at the transfer station is, and has consistently been, quite large. That is due to the fact that wood waste is also affected negatively by the low oil prices. The wood is put through a grinder and transported to a mill where it is burned to generate electricity. Oil is now competitive with this material, making the mills less interested in burning wood waste.

Watch for an interesting new feature to be added to the Town’s website, graymaine.org, in the coming months called “Recyclopedia”. This page will feature information on the recycling, re-use and/or disposal options for numerous materials ranging from aerosol cans to yogurt containers.

I would like to extend my thanks to the staff with which I work, the many volunteers who help out on a regular basis, a very active Recycling Committee and the general public for their patience and kindness. I am proud to be a part of the community of Gray and appreciate the opportunity to serve you.

Respectfully submitted,
Randy J. Cookson
Solid Waste Director

TOWN CLERK 2015-2016

The Gray Town Clerk's Office is an agent of the Bureau of Motor Vehicles and is authorized to issue new registrations and registration renewals to residents of Gray. Vehicles may also be renewed online at www.informe.org/bmv/rapid-renewal/.

INLAND FISHERIES & WILDLIFE REGISTRATIONS

Inland Fisheries & Wildlife (IF&W) boat, snowmobile and ATV registrations, and hunting and fishing licenses may be purchased at the Town Clerk's Office.

Online registration renewals and licenses may be obtained through www.graymaine.org or at www.maine.gov.

VITAL STATISTICS

The Town Clerk's Office is also responsible for recording all births, deaths, and marriages that occur within the town or if the person or persons are residents of the town.

TOWN CLERK 2015-2016

DOG LICENSING

State law requires all dogs aged 6 months or older to be licensed in the State of Maine. Dogs can be licensed at the Gray Town Office in person or online (October 15-January 31) at https://www10.informe.org/dog_license/ Fees for neutered / spayed dogs are \$6 per year, while non-neutered / non-spayed dogs are \$11 per year. All dogs must be licensed no later than December 31st of each year and a \$25 late fee will be charged beginning February 1st.

A total of 1531 dogs were licensed last year – 414 or 27% of those dogs were licensed online. By licensing your dog, **YOU** are directly helping the fight against animal cruelty and abuse. Up to 90% of the dog license fees collected go directly to the State of Maine Animal Welfare Program to support cruelty investigation. Licensing your dog also helps to insure public safety by requiring proof of a valid rabies vaccination before a license is issued.

DOG Licenses Issued in Gray 2013-2016

Total Deaths for the Town of Gray: 51

2015 VOLUNTEER RECOGNITION AWARDS

The Town of Gray is proud to honor our volunteers throughout the community for their exemplary citizenship and volunteerism. Each year, they are recognized and applauded at the Volunteer Awards Banquet. Award recipients for 2015 are:

Committee of the Year: Dry Mills Schoolhouse Museum Committee

The Dry Mills Schoolhouse Museum Committee has worked hard and put in many hours to make our old school a place for our younger generation to realize that school was not always how their school days are today. It takes dedication, effort, and planning such as put forth by this committee to accomplish these goals and to share the historical background of the school to our youngsters today.

Volunteer of the Year: Don Whitney

A person who during the last year has gone above and beyond to improve our community through volunteerism

Don Whitney is one of the unsung heroes who make our town a *community*, through truly caring and making Gray a place we call home. Don has volunteered for the snowmobile club doing trail maintenance, is a lifetime member of the Royal River Rod and Gun Club, the Androscoggin Beagle Club, and is a long standing member of the Odd Fellows. In addition, he has served on two comprehensive planning committees, helping shape the long term vision of the Town. He has been the Tree Warden for the Town for many years, and he serves on the Gray Cemetery Association. In a more visible role, he has devoted countless hours and loving care to the home of the Gray Historical Society, the old fire barn, helping in restoring this building to its current beauty. He accomplished all of this while being a successful businessman, a devoted family man and a particularly proud grandfather.

Organization of the Year: Gray Historical Society

An organization serving the citizens of Gray that has made a substantial positive impact in our community in the last year.

Lifetime Achievement Award: David Knudsen

A citizen who has displayed a lifetime of volunteer service to Gray

For 15 years between 1997 and 2012, David Knudsen consistently demonstrated his desire to help the Town with its Ordinances and streamlining administration. With his straightforward approach, Mr. Knudsen served 9 years on the Zoning Board of Appeals and was integrally involved with several Ordinance re-drafting committees such as the Street Construction and two Gravel Pit committees.

Evelyn Morrill Durgin Award: Carl Holmquist

Evelyn Durgin was an unsolicited, tireless volunteer toward the care and upkeep of the Civil War Monument. The recipient of this award should exemplify the essence of Evelyn's humility, dedication to and love for Gray

Carl was the catalyst for the development and establishment of the Libby Hill Forest Trails back in 1998. Since that time, Libby Hill Forest has become a destination of outdoor enthusiast enjoying such activities as Nordic skiing on groomed trails, snowshoeing, trail running or walking, nature observation. Currently there is 6 miles of groomed trails and approximately 2 miles of "backwoods" trails for hikers and snowshoeing.

Carl is also the founder and president of the Gray Community Endowment, an organization that seeks out and directs charitable donation for the benefit of Gray residents.

Dear Friends of Gray,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbeque dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

United States Senate

WASHINGTON, DC 20510

COMMITTEES:
ARMED SERVICES
BUDGET
ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
RULES AND ADMINISTRATION

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that "Bath Built is Best Built," which is why I've fought to authorize funding for Navy ships built at BIW. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibility every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me "one of the most serious and hard-working members" of the Committee, and that's a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207) 622-8292, Bangor: (207) 945-8000, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.
United States Senator

March 2016

Dear Friends and Neighbors,

It is an honor to serve you as your State Representative for House District 45. After a challenging first session in 2015, the second session is in full swing with a statutory adjournment date of April 20th.

Currently, I serve on the Criminal Justice and Public Safety Committee. On this panel, the other members and I oversee issues regarding the Department of Public Safety, the Department of Corrections, the Maine Emergency Management Agency and more. Issues currently facing our State and community include a worsening drug epidemic and the underfunding of our county jails. As a member of the Criminal Justice and Public Safety Committee, I will continue to fight for Cumberland County in order to ensure my constituents receive the help they need.

To do my job well, I will be seeking your opinion regularly and want to hear from you with your thoughts, questions, concerns and comments. Please call me anytime at **653-9783** or email me at Michael.Timmons@legislature.maine.gov to keep me updated about your opinion. If you would like to be added to my weekly newsletter distribution list, you can do so by emailing me directly with your request.

Thank you again for giving me the honor of serving you in Augusta!

Sincerely,

A handwritten signature in black ink that reads "Michael Timmons". The signature is written in a cursive, flowing style.

July 2016

Dear Friends & Neighbors:

It is an ongoing honor representing the good folks of Gray at the State House.

On April 29, Maine lawmakers concluded their Second Regular Session. Many controversial issues were discussed over the previous months, such as addressing the State's growing drug epidemic, energy costs, tax conformity, welfare reform, and how best to utilize surplus State revenue. As you know, our economy is still in fragile condition. Efforts need to continue to implement sound policies that will help employers, both large and small, succeed and thus create promising opportunities for the current and future generations.

Locally, many of our friends and neighbors have been impacted by underemployment and job insecurity. My persistent focus is on attempting to find solutions to the pressing problems that are stifling growth and causing commerce and industry great struggles to survive. It is essential for policymakers, on both sides of the aisle, to gather courage and make the necessary decisions to bring about change that will foster sustained investment.

In closing, I want to bring to your attention one topic previously mentioned in several editions of my regular e-newsletter – unclaimed property, which consists of money and other personal assets that are considered lost or abandoned when an owner cannot be located after a specified period of time. You can check to see if the State is holding anything of value belonging to you, a friend, neighbor, or relative by visiting <https://maine.unclaimedproperty.com>. If you find your name on the list, you can make a claim by filing online, or you may print a claim form and mail it to the Office of the Maine State Treasurer.

Thank you for placing your faith in me to be your voice in Augusta. If you ever have a question or concern pertaining to State Government, I can be reached at home now that the Legislature has adjourned.

Best regards,

Susan M. W. Austin
State Representative

Audited Financial Statements

Town of Gray, Maine

June 30, 2015

Proven Expertise and Integrity

Proven Expertise and Integrity

INDEPENDENT AUDITORS' REPORT

Town Council
Town of Gray
Gray, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Gray, Maine, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

3 Old Orchard Road, Buxton, Maine 04093
Tel: (800) 300-7708 (207) 929-4606 Fax: (207) 929-4609
www.rhrsmith.com

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Gray, Maine as of June 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 11 and 39 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Gray, Maine's basic financial statements. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual non-major fund financial statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

Buxton, Maine
January 6, 2016

**REQUIRED SUPPLEMENTARY INFORMATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2015**

(UNAUDITED)

The following management's discussion and analysis of Town of Gray, Maine's financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2015. Please read it in conjunction with the Town's financial statements.

Financial Statement Overview

The Town of Gray's basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedule, and other supplementary information which includes combining and other schedules.

Basic Financial Statements

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

Government-Wide Financial Statements

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Position – this statement presents *all* of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference being reported as net position.

The Statement of Activities – this statement presents information that shows how the government's net position changed during the period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

The above mentioned financial statements have one column for the Town's activity. The type of activity presented for the Town of Gray is:

- *Governmental activities* – The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). Most of the Town's basic services are reported in governmental activities, which include administration services, council, boards & committees, public safety, library, parks & recreation, public works, education and program expenses.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Gray, like other local governments uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Gray are considered governmental funds.

Governmental funds: Most of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Gray presents two columns in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund

balances. The Town's major governmental fund is the general fund. All other funds are shown as nonmajor and are combined in the "Other Governmental Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds to the Statement of Activities.

Required Supplementary Information

The basic financial statements are followed by a section of required supplementary information, which includes a Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund.

Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

Government-Wide Financial Analysis

Our analysis below focuses on the net position, and changes in net position of the Town's governmental activity. The Town's total net position for governmental activities increased by \$305,511 from \$14,968,677 to \$15,274,188.

Unrestricted net position - the part of net position that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation, or other legal requirements - increased for governmental activities to a balance of \$5,917,426 at the end of this year.

Revenues and Expenses

Both revenues and expenses for the Town's governmental funds were fairly consistent from the prior year with revenues increasing by \$765,031 or 4.73% primarily due to increases in taxes. Expenses decreased by \$307,491 or 1.81%. This decrease was primarily due to program expenses, capital outlay and public works.

Financial Analysis of the Town's Fund Statements

Governmental funds: The financial reporting focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information may be useful in assessing the Town's financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government's financial position at the end of the year, and the net resources available for spending.

Table 3
Town of Gray, Maine
Fund Balances - Governmental Funds
June 30,

Restricted	40,490	62,836
Unassigned	(4,101)	(2,218)
Total Nonmajor Funds	<u>\$ 2,342,142</u>	<u>\$ 3,597,734</u>

The general fund total fund balance increased by \$1,328,719 from the prior fiscal year. The non-major fund balances decreased by \$1,255,592 from the prior fiscal year.

Budgetary Highlights

There was no significant difference between the original and final budget for the general fund.

The general fund actual revenues exceeded budget by \$1,309,990. The transfer from other funds (Crisis Fund) of \$991,728, and the excess in excise taxes and charges for services collected of \$145,237 and \$124,360, respectively, accounted for the majority of the positive results.

The general fund actual expenditures were under budget in total by \$117,733, but when excluding overlay of \$102,097, remained under budget by \$15,636. This despite cost overruns in public safety, public works, municipal finances, and community services.

Capital Asset and Debt Administration

Capital Assets

As of June 30, 2015, the net book value of capital assets recorded by the Town decreased by \$682,706 from the prior year. This decrease is the result of capital additions of \$646,888 less current year depreciation expense of \$1,329,594.

Table 4
Town of Gray, Maine
Capital Assets (Net of Depreciation)
June 30,

	2015	2014
Land and Non-Depreciable Assets	\$ 2,560,323	\$ 2,477,778
Buildings and Improvements	5,729,984	6,076,042
Furniture and Equipment	519,163	551,896
Vehicles	1,880,771	2,230,638
Infrastructure	5,331,923	5,368,516
Total	<u>\$ 16,022,164</u>	<u>\$ 16,704,870</u>

Debt

At June 30, 2015, the Town had \$6,780,000 in bonds outstanding versus \$7,360,000 in the prior year. Other obligations include capital leases payable and accrued sick and vacation time. Refer to Note 5 of Notes to Financial Statements for detailed information.

Economic Factors and Next Year's Budgets and Rates

To further promote and ensure the financial well-being and fiscal stability of the Town, the Gray Town Council adopted an Unassigned General Fund Balance Policy in February of 2004. The Town's management established the policy as a guideline to ensure the well-being of the Town's financial administration in a manner that assists in providing for a positive cash flow, reducing short-term borrowing costs and meeting the Town's long-term capital investment objectives while ensuring that year-to-year fluctuations do not allow accumulation of an excessive unassigned fund balance. The policy also includes a provision for the suggested utilization of excess funds on future capital improvements and/or distribution to various reserve accounts. The Town's management designed the policy around maintaining a level of funding in Unassigned General Fund Balance that assures the fiscal integrity of the Town into the near future. In addition, the policy will provide direction to the Town Manager during annual budget preparation.

The policy requires that the Town Treasurer maintain the Unassigned General Fund Balance (as determined in accordance with applicable government accounting standards) at a level not less than two twelfths (or $1/6$) and up to three twelfths (or $1/4$) of the Town's net assessment for commitment, excluding any and all TIF plan amount assessment. Utilization of the Unassigned General Fund Balance is restricted and may in no circumstance be appropriated to below the two twelfths (or $1/6$) level as described above without the favorable vote of a Town Meeting. Such a resolution for utilization shall also contain a plan to restore the Unassigned General Fund Balance to the level detailed above within a five (5) year period should such utilization cause the Unassigned General Fund Balance to fall below the level detailed above. The Town maintained balances in excess of the required minimum level for the fiscal year ended 2015.

At any time during any budget year the Town Council may, after notice, call a special Town Meeting for the purpose of making appropriation(s) from Unassigned General Fund Balance in excess of the two twelfths (or $1/6$) level as described above. The proposed appropriation(s) shall meet an essential municipal need to protect the public health, safety and welfare. The needs may be caused by severe economic decline, any natural disaster or sudden event outside the control of the Town Council. Such appropriation(s) shall be adopted by a favorable vote of a special Town Meeting, with the vote specifically identifying the public necessity and containing the precise use of the appropriation(s).

Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and investors and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Office at 24 Main St., Gray, Maine 04039.
