A Message From Our Town Manager

Hello Friends and Gray Citizens,

November is special here in Gray – and not only because it’s exceedingly beautiful as we head into winter. It’s Election Month! I hope you take advantage of this democratic right on or before Nov. 2 and make your voice heard.

Please visit graymaine.org to learn more about Election Day.

Otherwise, I want to remind you that due to Town Council decree, all Town meetings will be remote at least until Nov. 16. We will provide Zoom links to these meetings as far in advance as possible, and you’ll still be able to watch via [GCTV](#). We’ll keep meetings remote until [COVID-19 community transmission levels](#) in Cumberland County lessen. Thank you for your patience as we, once again, navigate a remote world.

I hope you have a wonderful Thanksgiving! Please know that the Town Office will be closed on November 25 and 26 in observance of the holiday.

All the best,

Nate Rudy

Town Council Bestows Spirit of America Volunteer Award

Donna Rand, the driving force behind the Gray Food Pantry, was recently acknowledged by the Gray Town Council in a big way. She was bestowed the **Spirit of America Volunteer Award** for her exemplary community service to the Town.

The Council specifically recognized how Donna

coordinates delivery and donations, stocks shelves, directs many volunteers, and holds food-insecure individuals and families close to her heart.

As Town Councilor Anne Gass noted, Donna “is seemingly everywhere at once, re-packaging donated food, sorting bags and boxes, and directing volunteers. I watch in awe as she remembers everyone’s names and what—and how much—is in each of the multiple refrigerators. Then she turns and dashes up the stairs to greet food bank customers, always as if they’re her good friends that she’s welcoming them into her kitchen. She is absolutely amazing!”

Thank you, Donna, for your service to Gray. This is a well-deserved award!

Gray Benefits From Eagle Scout Projects

Gray is now a bit more beautiful thanks to the efforts of a couple hardworking Eagle Scouts!

Robbie Cook recently built two planters: one near the volleyball courts and the other near the time capsule by the Town Office.

Seth Carter built a planter with a sitting bench near the Gray Congregational Church. He also built two planters with a sitting bench near Wilkies Beach.

Eagle Scouts go through a rigorous set of guidelines that are required to complete any Eagle Scout project. The planning, development, and demonstration of leadership must be presented to the Boy Scouts of America district board. Then the scout needs to implement a plan that includes reaching out to the beneficiary of the project, propose a plan, and then present the project to the Gray Town Council for their blessing. Next steps are to acquire permits that might be needed, propose fundraising ideas, seek donations, work closely with the Town of Gray Building & Grounds Department, coordinate volunteers, buy materials, assign jobs and finally complete the project.

View more pictures of these projects on our [Facebook page](#).

Thank you Robbie and Seth for contributing to your community!

Trunk or Treat Attracts Families, Monsters to Fairgrounds

The 2021 Trunk or Treat on October 31 was a great success! So many families turned out at the New Gloucester Fairgrounds to show off their costumes and get a bit of candy. Thank you to all who turned their cars and trucks into candy havens, and thanks to families who joined in the spooky festivities!

Check out more costumes from the event on the [Gray Parks and Recreation Facebook page](#).

New Optimist Club Coming to G-NG

A new community service club is coming to Gray-New Gloucester thanks to support from the Lewiston-Auburn Optimist Club.

Optimist Clubs are similar to the Lions, Rotary and Kiwanis Clubs, and focus on “bringing out the best in kids” by offering a variety of strong youth programs. The club's service activities are based on the needs of the community.

To form the Gray-New Gloucester Optimist Club, 15 Charter Members are needed to actively support their community. If you are interested, please contact Beth Balekman-Pohl, program director of Casco Bay CAN, at 926-8124. Visit optimist.org to learn how these clubs benefit communities worldwide.
