RE: Gray Transfer Station

Dear Gray Community,

I am writing to sincerely apologize for my misunderstanding of the information presented to me by Mr. Foley which I subsequently communicated to my staff and members of the public about our operation. I understand the importance of accuracy and transparency when sharing information, and I regret any confusion or harm that my actions may have caused.

I take full responsibility for this misunderstanding that was shared, and I am committed to rectifying the situation and rebuilding trust with the community for all involved. I will be diligent in ensuring that all information I share in the future is reliable and accurate.

I look forward to working with Mr. Foley, the Town Council, the community as it evaluates how best to serve Gray's solid waste and recycling needs.

I deeply apologize for any inconvenience or distress that my actions may have caused, and I thank you for your understanding and forgiveness.

Sincerely,

A handwritten signature in black ink that reads "Randy J. Cookson". The signature is written in a cursive style with a long horizontal line extending to the right.
