TOWN OF GRAY MAINE
FINAL SUBDIVISION PLAN APPLICATION
SUBMISSION CHECKLIST

Subdivision Name _______________________ Date ______________

This checklist has been prepared to assist applicants in developing their applications. It should
be used as a guide in assembling the information necessary for a complete application. The
checklist, however, does not substitute for the requirements of Article 8 of the Subdivision Or-
dinance. The Planning Board will also use the checklist to ensure your application is complete.
Indicate if the information has been submitted or if a waiver is requested. If you feel that inform-
ation is not applicable to your project, please indicate in the second column. The perimeter
survey, subdivision plan and engineering plans may be contained on the same drawing. Detailed
engineering drawings such as road profiles, drainage swales and erosion/sedimentation plans,
however, may best be presented on a separate sheet or sheets.

Note that this checklist only covers the submission requirements for a final plan. There is an
additional checklist for preliminary plan submission, which should have been completed previ-
ously. Neither checklist addresses the standards that the subdivision plan must meet. For review
standards refer to Article 13. You should have completed Checklist F-1D at preliminary plan.
