Hands On Music

Your little one will enjoy exploring the world of music in this class. Parent / tot class will engage the participants in music and movement by using fun, kid friendly songs and instruments. This class is for children ages 1-4 and taught by Laurel Jordan

Pre School Gymnastic Lessons

Flip With Me: (ages 2-4) Parent/guardian will be assisting Becky with motor skills, balance and body awareness.

Kindernastics: (ages 3-5) Participants will experience & improve on existing gross motor movement with new skills being introduced.

School Age Gymnastic Lessons

Beginners (must be 5 years of age)
Participants will learn tumbling techniques as well as basic skills on the low balance beam, and bars.

Advanced Beginner (ages 5-15)
This class requires the participant to be able to perform a cartwheel, kick into a handstand and perform a backward roll.

Cheertumbling (ages 5-15)
This class is for those that want to prepare for cheerleading. Participants must be able to do a forward roll.

Enjoy a nice night out without having to worry about the children! It is the perfect time to plan a date or a night out with friends. We'll keep the kids busy with activities both in the Recreation Room and Gym. Pack snacks, a drink and something for dinner and we will take care of the rest.

Ukulele Lessons

Learn the basics of reading music and playing a little diddy on the ukulele. Laurel Jordan will guide participants through the ready music, making chords and putting it all together to form a song. Russell School (class TBD) for children in grades 2 through 8.

NERF NIGHT

Are you crazy for Nerf? Is mom yelling at you for shooting darts in the house? We will set-up walls & barriers for team battles and organized chaos. Please bring your Nerf gun (one that shoots standard darts), eye protection and a water bottle. We will supply the darts, prizes and all the fun you can handle.

KIDS CLUB

"Where Structured Activities Meet Adventure and Fun!" Kids Club is a friendly, safe environment where children are guided in stimulating opportunities that spark creativity, curiosity and success! Structured daily periods of free time, gross motor activities, arts and crafts and enrichment opportunities are designed to increase their self esteem, discover imagination, develop tolerance and patience, widen responsibility and enjoy social time with both peers and staff. Activities will include: Activities in the gym and sporting fields surrounding the complex, arts and crafts, health and nutrition, homework help time, quiet time, free play and more.

IN-SERVICE DAYS

Come join the Gray Recreation Department for a fun-filled day off from school! We'll have loads of arts & crafts, sports activities, games and maybe even an afternoon movie with popcorn! You never know what we'll have up our sleeves for fun activities... each day will be something new!
